MK.1

MK.1

MK.1 is the operative office collection offering a minimalistic design, featuring a triangular shaped leg.

a light structure with thin and strong surfaces is the perfect solution to maintain functionality and durability of the product.

MK.1 can be integrated with any storage and cabling solutions.

the solid and strong structure makes it the ideal product for benching and meeting table applications.

the modularity and ease of assembly, makes the product easy to reconfigure and perfect for offices and companies in constant growth.

A modern office desk and chair in a minimalist setting. The desk is made of light-colored wood with a white metal frame. A green upholstered office chair with white armrests and casters is positioned next to it. A sleek, adjustable desk lamp is mounted on the desk. The background is a wall of horizontal wooden planks, and the floor is a dark, polished concrete. The text "MK.1" is overlaid on the desk surface.
