The **MK.5 Leg System** integrates coherence and functionality in formal office spaces, making them elegant and space efficient.

From free standing desks to clusters of back to back positions, the **MK.5 System** is composed of modular elements useful in creating simple and complex workspace solutions.

Highly customisable through different layouts and colour combinations, **MK.5** can provide a truly personalised workspace.

Compatible with our existing range of screens and accessories, no sacrifice is made to the functionality of the workspace and the needs of the client.
